Consent for emergency transportation:

In the event of an emergency I consent to my child being transported in a privately owned vehicle driven by a member of the supervisory staff.

Anaphylaxis Policy:

I understand that the College Anaphylaxis policy seeks to minimise the risk of students coming into contact with nuts and nut products. I agree to support this policy by not sending these products to College activities.

Note: The insurer will not be liable for Medical Expenses arising from domestic travel in Australia. This includes Australia wide ambulance cover. We advise all students to have a current Australia wide ambulance membership to cover costs of ambulance attendance or transportation.

Students are not covered if they travel against the advice of a qualified medical practitioner or are unfit to travel. We recommend medical clearance be sought where it is uncertain the student is fit to travel.
