4 March 2013

Dear Parents

«Given_Name» has volunteered to help out at the Sanitarium Weet-Bix Kids TRYathlon on Sunday 9 March in order to fulfil part of the CAS requirement. The students are required to meet in Catani Gardens, St Kilda at 6am for a 6.30am start. A light breakfast will be provided. It is expected that «Given_Name» will be able to leave around 12.30pm - 1pm depending on how long it takes to pack up.

Volunteers are required to be at Catani Gardens, Beaconsfield Parade, St Kilda between 6.00am - 6.10am. They should sign on at the “Information and Meeting Point” tent located near the finish line. Briefing will be at 6.20am. Our group will be manning the ‘Transition’ area and the Numbering and Run Marshal tasks. An email has been sent to all students giving a job description for working in the both areas, a map and also a Volunteer Help Team Manual.

Students should wear comfortable walking shoes, suitable clothing and take a snack and sunscreen. A cap, volunteer T-shirt and bottled water will be provided.

Mrs Helen Taylor will be there as the supervising staff member. Helen’s mobile phone number on the day will be 0438 863 948 should you or «Given_Name» need to contact her on the day.

If you are not happy with any of these arrangements, please contact me by email: Cameron.McKenzie@stleonards.vic.edu.au or by phone: 9909 9597.

Mr Cameron McKenzie
IB DP Coordinator
