Urban Domain – Day 2 – All 9W & part 9Y
Tuesday 3 May 2016
Melbourne Museum/Meadow Heights

Instructions

You are to meet Ms Hutchinson and Ms Creak at Federation Square at **8.50am**. You may travel by any means but you must be on time.

You will need your MYKI; money for snacks (or bring your own), water, notebook and a pen. You will need a snack as there could be a lengthy amount of time before lunch. You should have your phone and a camera is optional. Girls, in particular, must dress discreetly; really short shorts or short skirts, leggings and tops with low necks are not to be worn under any circumstances. Jeans are recommended.

When the group is accounted for, you will have 20 minutes to purchase something to eat before we set off. There are many places that will serve you quickly.

We will then walk to Bourke St to catch a tram to the Melbourne Museum. Whilst there, you will study the settlement of Melbourne and look at the historical development of our city. (10am-11.15am)

You will then catch a chartered Moreland bus at 11.20am, which will take you to the Meadow Heights Islamic Mosque.

After learning about Islam, you will be treated to lunch by the ‘mosque ladies’. The kiosk at the mosque will sell additional cold drinks, should you wish to purchase them. The Moreland bus will pick you up from the mosque at 2.15, and will take you to Broadmeadows station.

You will arrive back at Flinders Street Station with your teacher about 3.30pm. You will then make your way home on your designated train line. No alterations to this plan are to be considered.
