Each team will be given two additional detours to complete on their way to Williamstown. You must travel by TRAM and TRAIN. These detours will be one of the following, so teams must do some preparation before the trip:

1. Central Pier (Docklands) and Darling train station. OR
2. Corner of Domain Rd & Park St (NOT Park Rd) (South Yarra) and Fairfield train station. OR
3. Corner of Elgin & Swanston Street (Carlton) and Camberwell train station. OR

Your team will be given an envelope by the accompanying teacher when you reach Federation Square. This envelope will reveal the detours you must take. You will plan how to make your way to each destination, finishing at the rotunda in Commonwealth Reserve, Williamstown between 12.00-12.30. Photographs must have been taken at all designated checkpoints along the way.

Teams must travel as one complete group at all times. You must remain with your team at the rotunda in Williamstown until Mr Scott or your homeroom mentor dismisses you for lunch. It is NOT a race, but the expectation is that you will arrive by the time specified. The sooner you arrive, the more time you will have to enjoy lunch which will either be purchased or brought with you.

**Heritage Walk and Ferry Trip**

After lunch, all students will complete a short Heritage Walk around Williamstown. We will then be travelling by ferry from Williamstown to Victoria Harbour, arriving at 3.15pm. This trip might include commentary on the life and history of these waterways.

At Docklands, you will discuss aspects of the day with your group leader before walking to Southern Cross station where we will catch a train to Flinders St station. At this point, you will be dismissed to make your own way home and the expectation is that you return to your ‘home’ station at this time.
